THE TRUSTED NAME IN ODOR CONTROL

Fabric & Carpet Foam Deodorizer

33200-00514 Pack: 8/15oz

- Effectively deodorizes most fabric surfaces; including drapes, bedding, upholstery, and carpet.
- Deodorizes without leaving a sticky residue; quick drying.
- Helps break the static charge that bonds hair to upholstery and carpet.
- Ideal for use on mattresses, lobby, and cafeteria furniture.

Carpet & Room Allergen Reducer & Odor Eliminator

33200-84113 Pack: 9/42.6oz

- Powerful deodorizing with pure baking soda and fragrance.
- Effective even on smoke, urine, and pet odors.
- Excellent for use in cafeterias, smoking areas, conference rooms, lobbies, and reception areas.
- Specifically designed to remove allergens* by breaking the static charge that bonds them to carpet fiber.

*Dog, Cat and Dust mite allergens. Not a pesticide.

Trash Can & Dumpster Deodorizer

33200-84116 Pack: 9/42.6oz

- Neutralize foul odors in and around dumpsters with pure baking soda and fragrance.
- Also effective in food service areas, diaper pails, and restroom trash receptacles.
- Effectively deodorizes odors found in soiled facility rooms and soiled brief and laundry bins.

Deodorizing Air Freshener

33200-94170 Pack: 12/7oz

- An aerosol that actually contains baking soda to neutralize airborne odors.
- Ideal for kitchen areas, bathroom/restrooms, and public areas.
- Also very effective for deodorizing HVAC filters, addressing odors at their source.
